

Pebble Hill Cemetery Pebble Hill, McNairy County, Tennessee

Pebble Hill Church and Cemetery. The Church was organized in early 1900 and is still active. The cemetery was started in 1899 and the first person laid to rest there was a small child Colbert Jordan. Directions: Take Hwy 45 S from Selmer, turn left at the light at Walmart on Hwy 142, Go to the crossroads at Stantonville and turn right on the Michie Pebble Hill Rd. Go several miles, and enjoy the scenery as you go. You will see a sign that says Pebble Hill Church. Turn left on Harrison Rd. The cemetery is on both sides of the road. Pebble Hill Cemetery is located off Chamber Store Road in southeast McNairy County. This cemetery is at the in section of Highway 224 and Chamber Store Road on the northeast side. It was in very good condition when I was there. There are four stones in the cemetery that have no name on them. One is in between William McLeod and Perry Jones and one is by the Flatt. The other two are in the area where Whitaker are buried. These are also homemade markers. I walked and read this cemetery, using my digital camera. I have a photo of all existing and legible stones and markers. I completed my transcribing in Feb 2007. - *Carrol Heath*
