

## **Stantonville Cemetery** **Stantonville, McNairy County, Tennessee**

To reach the cemetery in Stantonville, from the intersection of Hwy 224 and Hwy 142 take 142W and go 3/10 of a mile and cemetery is on the right. This cemetery sits back off the road, but can be easily seen from the road.

Stantonville Cemetery was established in 1954 and is still in use today. It was in very good condition when I was there. I don't know who owns and maintains this cemetery, but it appears to be the cemetery for the town of Stantonville.

I walked and read this cemetery, using my digital camera. I have a photo of all existing and legible stones and markers. I completed my transcribing on Feb 20, 2007. *Carrol Heath*

Please allow for errors. Some old tombstones are hard to read and typo's are sometimes made.

### **Thanks to Carrol Heath for contributing this cemetery**
