Please allow for errors. Some old tombstones are hard to read and typos are sometimes made.

To reach this cemetery from State Hwy 224 in Pebble Hill, drive east on Chambers Store Road about 1/2 miles. Turn left onto Harrison Road and pass Little Creek Lane on your left, top of the next hill turn right onto a dirt road. This cemetery is in a wooded area. This is a very small family cemetery that has been forgotten for some time.

This cemetery is located in the woods south of Harrison Road and has just recently been cleaned up some. There may be more burials in this cemetery than are listed here, since it has been neglected for so long. Please let me know if you know of any I do not have. I have digital pictures of every stone if any one needs them. I walked and read this cemetery, using my digital camera. I have a photo of all existing and legible stones and markers. I completed my transcribing in Feb 2007.
